DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on 02/26/2007 is not fully responsive to the prior Office action because Applicant elected in response to the restriction requirement mailed 09/25/2006, group 311, claims 11-12 (see page 2, 3rd paragraph). However in the restriction requirement group 311 corresponds to claims 16-17. It is unclear if applicant is electing claims 11-12, which corresponds to group 310 or electing claims 16-17 which corresponds to group 311 for examination. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply.
